APPENDIX-I TO ITEM NO.5.05

UNIVERSITY GRANTS COMMISSION
BAHADUR SHAH ZAFAR MARG
NEW DELHI-110 002

**REPORT OF THE UGC EXPERT COMMITTEE WHICH VISITED ~~CHRIST~~
~~COLLEGE, BANGALORE~~ ON 4TH-6TH OCTOBER, 2007 TO ASSESS ITS
PROPOSAL FOR CONFERMENT OF DEEMED TO BE UNVIERSITY STATUS
IN THE NAME AND STYLE OF PROPOSED CHRIST UNIVERSITY UNDER
SECTION 3 OF THE UGC ACT, 1956**

BACKGROUND

The Christ College was established in 1969 by the founder of the first indigenous catholic religious congregation, Carmelites of Mary Immaculate (CMI) to provide quality education. The Christ College owns 25 acres and 21.5 Guntas of land in the heart of Bangalore city, extending to an area of about 97000 sq.mtrs.

The Christ College has made rapid progress and growth since its inception by introducing innovative and professional courses in Science, Computer Applications, Commerce & Management and Social Sciences etc. The institution has well-organized and meaningful extension programs carried through their various centers like Centre For Social Action (CSA), Centre for Education Beyond Curriculum (CEDBEC) etc. The Christ College is the first educational institution in Karnataka to be accredited in by National Assessment and Accreditation Council (NAAC), followed by re-accreditation with A+ Level rating in 2005.

The Christ College is affiliated to Bangalore University. It has collaborations with many accredited foreign Universities like Western Michigan University (USA), Griffith University (Australia) Liverpool Hope University (UK), Swansea University (UK), OHIO University (USA), Norway Science University of Science and Technology, Duta Wacana Christian University (Indonesia) etc. the Christ College is also a member of the University Study Abroad Consortium (USAC) for providing selective educational support to the students of the USAC member institutions.

In addition, the Christ College is also accredited and authorized by several Professional Institutes in and outside India, such as Institute of Chartered Accountants of India, Institute of Company Secretaries of India, International Air Transport Association (Canada), Chartered Institute of Management Accountants (UK) etc for conducting its' educational programs. In recognition of performance and potential of the College in conducting and introducing programs of research and innovation, the UGC granted Autonomous Status to the Christ College in the year 2004. Further the

6/10
6/10/07

college has been recognized as a College with 'Potential for Excellence (CPE) by the UGC in 2006 for which a grant of Rs.1.00 crore has been given to the UGC. 'India Today' magazine, in its June 2007 issue, has ranked CHRIST COLLEGE among the top ten Colleges of India in all streams of education (Science, Commerce & Social Sciences), in its published report on the basis of its scientific survey. The College has been ranked among the first 25 colleges of India in respect of MBA program as per the survey conducted by the 'Outlook' magazine as published in its issue of September 2007. Currently, the institute offers 14 PG and 48 UG Programmes in Sciences, Commerce/Management and Social Sciences including Education and Law, affiliated to Bangalore University, with a total admitted strength of 5767 students from India as well as from other countries.

With a view to further expand the facilities especially for the proposed Deemed to be University to provide for innovative post graduate and Research programs and activities, the Christ College, has initiated and commenced construction of a new Block of 12 storied building of modern amenities, with a built up area of about 38000 sq meters and costing about Rs 60 crores. The College is awaiting certain approvals from authorities concerned, to hasten progress in this regard.

The Christ College is a well-established and well-recognized provider of quality education with a mission and vision to sustain the standards of Educational Excellence in the world. Its sprawling and aesthetically landscaped campus is centrally located in the city of Bangalore, which is well connected, by Air, Rail and Road.

The MHRD, Government of India forwarded the proposal of Christ University to UGC to examine for the conferment of Deemed to be University Status under section 3 of UGC Act, 1956. Accordingly the Chairman, UGC constituted the following Expert Committee to make on the spot assessment of the infrastructure and academic facilities to consider its proposal for conferment of Deemed to be University Status.

II COMPOSITION OF THE EXPERT COMMITTEE:

1. Professor R. P. Kaushik
(former Ambassador of India
former Member of Commission
former Professor, JNU, Delhi)

and latest techniques. The institution will strive to be a Centre of Excellence in Basic Science, Advanced Science Humanities, Education, Law, and Management ultimately to raise the standard of education excellence in the country with a view to prepare basic experts for proper utilization of resources in the country.

Innovation, Research and development is a continuous process in the organization where emphasis is being laid on enhancing and developing the skills of the education and exposing them to emerging development in their respective fields. The teaching staffs /faculty are into research and academic development activities and organize and attend workshops and seminars both national and international levels to enrich the research programmes in the emerging areas.

7.	Date(s) of visit of Expert Committee	October 4 to 6, 2007
8.	Is the proposal under General/De Novo Category, if yes please give justification	No. It is under general category and fulfills all the requirement as per UGC guidelines.
9.	Whether accredited by NAAC, if yes rating?	Yes, accredited and reaccredited by NAAC with A+ Level (May 20, 2005)
Annexure-III		
10.	Whether the proposed institution(s) is affiliated to any university under Section 2 (f)/12B of the UGC Act? If yes, the name of the University	Yes, it is affiliated to Bangalore University.
11.	Whether the affiliated university willing to examine and confer degree or other awards of students already enrolled with the Institution(s) seeking Deemed to be University Status.	<p>The Committee noted that Christ College communicated to Bangalore University vide letter dated 28.06.2007 (Annexure-IV) in this regard. No reply has been received from the affiliated University as on the date. As more than 3 months have lapsed since making application by the Christ College, it is presumed that the affiliated University has granted its acceptance, in terms with the guidelines issued by the UGC in this regard. The guideline given is as under:</p> <p><i>"However, if no reply is received within three months, their acceptance shall be taken as granted and the Commission may proceed with the processing of the proposal for giving status of deemed to be university."</i></p>

2005-06	23,19,47,253	11,59,13,600
2006-07 (unaudited)	28,96,13,735	16,31,81,720

Note: Estimated income is Rs.289613735 and the final report is pending with auditor.

Statement of Income & Expenditure, Receipts and Payments, Balance Sheet for the last three years is enclosed

(Annexure-VI)

14. Whether the Institution(s) is financially and academically viable to run the institution(s) as Deemed to be University

Yes, the Institution is financially and academically viable to run as Deemed to be University inasmuch as the Autonomous Status granted by the UGC and rapid growth of the institution having accreditation A+ level by NAAC is evident of financial and academic viability of this institution.

The infrastructure of the institution is worth approximately Rs. 255 Crores at current prices apart from the corpus fund of Rs. 5 crores. In addition, the market value of the land of the institution is around Rs. 400 Crores based on current prices. Thus the total assets of the institution are estimated over Rs.660 crores which also endorses the financial viability of institution. Further, availability of qualified and experienced faculty, established best-practices in education along with state-of-the-art infrastructure in teaching-aids endorse the academic viability of the institution.

15. Whether the permission The Committee has noted that UGC has sought

 6/10
 6/10/07
 P. P. Kason

from the concerned State Govt. has been obtained if yes, please attach a copy of the permission letter/views of the State Government

the comments from State Government within 30 days vide D.O.No.F.26-12/2007 (CPP-I) dated 2.7.2007 (Annexure-VII) with regard to the potential, academic excellence and financial viability of the Institute to maintain and sustain itself as a deemed university. However, the State Government of Karnataka declined NOC for all the applicant institutes for deemed to be university located in Karnataka without giving any reasons for rejections in respect of each institution.

It has been noted that UGC has written a letter vide F. No. 8-24/2005 (CPP-I) dated 28th September, 2007 to State Government of Karnataka (Annexure-VIII) seeking reasons for not recommending the case of applicant institutions located in Karnataka for conferment of deemed to be university status. Their response is still awaited.

The Committee noted that the UGC has granted the autonomous status to the Christ College which acknowledges the financial and academic viability of this institution. The Committee further noted that the Christ College is also granted with the accreditation A+ level by NAAC which further endorses the quality of education in the institution to sustain its academic viability. The Committee is also informed that the UGC has granted one crore rupees to Christ College as Centre of Potential of Excellence which leaves no doubt about the potential of this institution to sustain as a deemed university.

In view of above, the Committee is of the opinion that case of Christ University may be considered as Institute having all the potential, academic, excellence and financial viability to maintain and sustain itself as a deemed university without prejudice to the outcome of above correspondence with the State Government.

43. Examination system in brief

70
392

Two examinations per semester will be held, ie., Mid semester exam and End semester exam.

Assessment of each paper is as follows:

a. Continuous Internal Assessment: 50%

b. End semester Examination: 50%

Continuous Internal Assessment will include (a) Assignment - 10marks, (b) Mid semester exam theory - 25marks,

(c) Project work etc., - 10marks (d) Attendance - 5 Marks.

Internal Assessment comprises of tests, seminars, quizzes etc.,

Valuation Centralized valuation carried out by the College teachers (Internal & External).

Bar Coding System is adopted for valuation for the purpose of anonymity

Attendance 75% is required to take the end semester examination.

Examination fee is on par with Bangalore University and other Autonomous Colleges

Supplementary Examinations are held for students who do not clear their papers (with the next respective batch)

Revaluation for students who would like to have their papers revalued can do so on a prescribed fee

Carry Over (a) to enter the 3rd semester student should have passed at least 50% of the papers/subjects of the 1st and 2nd semesters (b) to enter the 5th semester students should have passed at least 50% of the papers/subjects of the 1st to 4th semesters (together)

Grading System has been adopted to match International standards

44.	Whether the Institute is following standard/norms prescribed by statutory councils like AICTE, MIC etc. as the case may be in respect of professional courses.	Yes <i>H.</i> 393
45.	Whether the Institute has given necessary undertakings /assurance as per UGC Guidelines; please attach the same.	Yes. (Annexure-XIX)

OBSERVATIONS OF THE COMMITTEE

The Expert Committee after detailed visits to all the departments, general facilities like hostels, libraries, sports facilities and after due interactions with the management, faculty, staff and students makes the following observations:-

(i) Observations of the Group of Science subjects

The College offers postgraduate courses in Computer Science (MCA), M.Sc.(Computer Sc.), Physics (M.Sc.) and Mathematics (M.Sc.). An exclusive well equipped laboratory with network of latest microprocessor-based computers and software is available for students to provide them hand-owned training in various aspects of computer and their applications. M.Sc. (Computer Science) is a programme with specialization in two areas and includes the core areas of computer science. M.Sc. Physics programme at the college gives emphasis in Molecular and Crystal Growth as well as astronomy.. M.Sc. course in Mathematics is a programme which aims to develop mathematical ability in the students with acute and abstract reasoning. The College offers through lectures, seminars, workshops, group discussions as well as talk by experts. These courses are quite popular among students.

Apart from above, the college offers various courses for B.Sc. degree such as computer applications, computer science, mathematics, electronics, statistics, chemistry, botany, zoology, physics and biotechnology.

project writing, choosing of an issue and writing the projects. The courses are being offered are quite comprehensive, covering large areas of the subjects concerned.

396, 74.

The interaction and discussion with students and teachers in respective departments are qualitatively good. However, due to the constraint of the system, the departments are not able to carry out the research work as desired by them but it is clear that these departments have potential to take research activities in many relevant areas of the subjects. It appears that the College has interest in re-casting the courses to make them interdisciplinary and socially relevant.

Education Department (NCTE nominee observations)

B.Ed. programme of one year's duration is being run by the College. Through in depth discussion on methodology being used for academic interactions and visits to student services such as the library, the laboratory and the ET facilities available in the college, it transpired that the academic calendar being followed is in consonance with required norms and standards.

It was observed that the infrastructural and other physical facilities satisfy the NCTE norms. The faculty is adequate for the B.Ed. programme being run by the College excepting the availability of Principal as per guidelines of NCTE. It is understood that the position is advertised by the College and selection for the said position is in the offing.

The academic programme as in operation is quite upto the mark in as much as the emphasis on skill acquisition, awareness and knowledge part is concerned.

The library of the college of Education has 3000 titles (books) and adequate number of periodicals and the same are as per NCTE norms.

It is suggested that in order to promote a culture of in service education the college should strive to get upgraded to a CTE status by approaching the MHRD, Delhi.

Law (BCI nominee observations)

397

75

- Under the BCI norms, law college or law school should be in a separate campus and in a separate building – here it is on the 4th floor of a multi-storied building.
- There should be a separate moot court hall and a seminar hall for any modern law school – here it is lacking
- The only hall available in the 4th floor is being used for video conferencing for the entire Christ College institutions, I am told. This hall has only one entrance that opens to the veranda of the law school. It is on the side of this veranda that the five law classrooms of the law school are arranged.
- Faculty is quite good.
- Library is good, well equipped with comfortable seating arrangements. The online library consists of 60 PCs.
- All the five class rooms are well furnished and spacious. The management now undertake to provide a separate campus and building for the law school as early as possible and also provide a furnished moot court hall and a seminar hall and making the 4th floor exclusively for the law college for the time being.
- Considering the overall excellence of the campus and the academic activities undertaken by the law school, I am of the view that despite the above shortcomings, deemed University recognition may be granted to the Christ College (Autonomous), a well reputed institution for its academic excellence.

- The College has a well defined mission and goal which reaffirms regularly on various occasions through out the year. Its aim is to impart holistic quality education "to produce morally strong, socially conscious and God loving citizens who will pursue excellence in their chosen field of activity." Its mission is to play an important role in social transformation and thereby contribute to the national development.
- The College possesses a "State of Art" infrastructure. Its landscape , beautiful buildings, spacious classrooms, Auditorium, Assembly Hall, Labs, and spacious Libraries, Student Centre, Cafeteria, Medical Dispensary and Bank. They are more than adequate for existing as well as for the future programmes.
- In keeping with the changing scenario in educational needs of the students, the College has attempted to provide a range of options with traditional and professional Undergraduate (UG) courses in Humanities, Social Sciences, Physical Sciences, Computer Science, Commerce, Management, Hotel Management and Journalism, B.Com. in Tourism and Travel Management, PG Courses in Management, Computer Applications, Psychology, Master in Tourism Administration, Master of Social Work and Master of Mass Communication. Most of these courses have employment potential. The Master in Social Work course trains the students to work for the upliftment of the poor and downtrodden and the Master in Mass Communication Courses infuses strong sense of values in them on the applications of media.
- The Department of Hotel Management has developed a model curriculum for the AICTE, New Delhi which is adopted by other universities.

[Handwritten signatures and dates]

- The College has a well developed Feedback Mechanism at many levels. Annual Student Evaluation of Teachers, Self-Assessment of faculty members, random stakeholders poll involving parents and guardians, feedback from the corporate who employ the students and finally feedback from the media from the corner stone of the developmental planning of the college.
- In addition to class room teaching, project work, participation in seminar and internship in industry etc. are undertaken by the students. Guest lectures by leaders in various fields, relevant to career prospects like competitive examinations, communicative skills, and emerging opportunities are arranged by the college. The visual aids in teaching like LCD, OHP, Computer Simulation, Internet and Movies, related to the topics of the syllabus are extensively in use in the college.
- The fully automated central library equipped with adequate number of books, journals, computer, internet and reprographic facilities motivates the students to develop the habit of self-study. It has three separate libraries for law and other courses. The Library is a commendable possession at the college with its vast collections and research resources, for students and teachers with internet facility.
- To usher in a research culture, the college has very rightly introduced projects for the students to be investigated under the guidance of the faculty. In Computer Science and Psychology, project work has become mandatory, being a part of the respective curriculum. Regular industrial and field visits by students give them experience and insight about the working of these organizations.
- Within limited capacity, the college has been offering consultancy services to several educational institutions and corporate and other organizations.

A collection of handwritten signatures and dates. On the left, there are several signatures, including one that appears to be 'S. S. S.' and another that looks like 'A.S.'. In the center, the number '28' is written. To the right, there is a signature 'K. P. S.' with the date '6/10' below it. Further right, another signature 'A. S. S.' is present with the date '6/10/07' below it. At the bottom right, there is a large signature 'P. S. S.'

- The Internal Quality Assurance Cell is working effectively for the motto of the college "Excellence and Service". The College is making effective use of technology for teaching, learning, evaluation, library and office administration.
- The College has undertaken many social extension activities and outreach programmes since its first accreditation in 1998. It has established the Centre for Social Action (CSA) solely for this purpose. Its rural sensitization programme is commendable one in which students visit the rural areas and get acquainted directly about the various problems facing the people there. The students offer voluntary service after college hours and on holidays to spread literacy amongst the children in the slum areas. In the child sponsorship programme launched by CSA the students individually and collectively sponsor child labourers/ school dropouts to continue and complete their studies.
- The Committee was happy to note that the College has been granted autonomous status in 2004 and recognized as a college with Potential Excellence (CPE) by the UGC in 2006. Further, the college has also been accredited by NAAC followed by reaccredited with rating A+ level in 2005.
- The College besides the regular courses has started add-on 24 certificate programmes and 3 UGC sponsored programmes on Abatement Technology, Multimedia and Computer Hardware assembly and maintenance to promote the knowledge of the students further.
- The College apart from regular teaching has adopted teaching methods by way of seminars, paper presentations and viva-voce group discussions, demonstrations through OHP and LCD Projectors, Orientation programmes, industrial visits, assignments, class tests etc.

79

It has developed bridge courses for performance improvement for slow learners to help the students to upgrade their knowledge.

401

- The College has developed Curriculum Development Training Programs in consultation with experts from Industry and Research to meet basic requirements for higher studies in emerging areas and research.
- The College has initiated international collaboration in UG and PG courses in the form of twinning/ partnership programmes. The list of the foreign universities with which the college has signed MoUs is as follows:-

- (i) Ohio University (USA)
- (ii) Western Michigan University (USA)
- (iii) Griffith University (Australia)
- (iv) Liverpool Hope University (UK)
- (v) Swansea University (UK)
- (vi) Norway Science University of Science and Technology
- (vii) Duta Wacana Christian University (Indonesia) .

- The College has established an office of International Affairs to promote this trend further. This has been helping the College for faculty enrichment through exposure to international programmes and shared knowledge with faculty members to promote research, methodology etc. However, the Committee observed that if they want to continue these programmes after getting the deemed university status they may be advised to obtain the approval from UGC and other statutory bodies, wherever required.

- The College possesses highly qualified faculty members as per norms of UGC/ statutory councils possess and their courses have approvals of respective statutory councils wherever required.

81.

➤ The College is one of the best institution in the country is rated as the 15th best college in the Department of Commerce and Management in the country (as surveyed by 'Outlook' Magazine).

403

➤ Research is mostly concentrated at the faculty level by their participation in international conference and seminars.

➤ Industries collaboration in engaging research in various programmes are also in the process. Guest teachers from Industry and other sectors participate in the departmental activities.

➤ Social Science stream also has language programme which is multi-faceted teaching languages both national and of international level nature.

➤ Innovative programmes in Social Sciences are the hall mark of the institution. Media programme is an effective communication discipline which is doing well in the Institutions framework.

➤ Interactions with outside world show the strength of the institution.

➤ The College has ambition to enhance its pace for quality education, but is constrained in many ways. Because of its affiliated status, it has to adopt the syllabi and the curricula prescribed by Bangalore University.
